

SMOKING LOON

2014 CABERNET SAUVIGNON

PHILOSOPHY

Smoking Loon was established in 2000 on a very simple premise: good wine doesn't need to take itself so seriously. Originally named for Don Sebastiani's love of cigars and his father August's passion for water fowl (don't ask, long story), Smoking Loon offers an irreverent, tongue-in-cheek approach to enjoying wine.

Our wines are crafted for those with an appetite for adventure, those in touch with their inner loon, those who consider pretense simply unnecessary. Each vintage provides our winemakers the perfect opportunity to have a little fun and indulge their inner loon. They start by scouring the top wine regions of the world for the finest fruit. Then, they gently guide that fruit to its fullest potential, creating fruit-forward, well-balanced wines that offer a keen blend of approachability, quality and value.

TASTING NOTES

Our 2014 Smoking Loon Cabernet Sauvignon has vibrant aromas of blackberry, dark cherry, nutmeg and notes of violet. Black currants, warm pomegranate reduction and mocha chocolate accentuates the flavorful and fruit-forward palate. Dark caramel on finish adds to the complexity and character of this well-crafted Cabernet Sauvignon. We recommend pairing this wine with your favorite BBQ recipe, spaghetti and meatballs or stir fried veggies over jasmine rice for a vegetarian option.

APPELLATION

In crafting our 2014 Smoking Loon Cabernet Sauvignon, our winemakers sourced grapes from throughout California's prime grape growing regions. Known for its abundant sunshine, which helps to ensure a reliable extended growing season, the "Golden State" has become an American winemaking mecca on par with the other great wine regions of the world. California boasts nearly 100 American Viticulture Areas (AVAs) that encompass over a half million acres of vineyards, supporting a diverse varietal mix. Cool climate varieties like Chardonnay and Pinot Noir thrive in the fog-bathed coastal areas, while the warmer inland valleys provide the perfect conditions for heartier heat loving varieties like Cabernet Sauvignon, Petite Sirah, Zinfandel and Sauvignon Blanc.

VINTAGE

With another year in the record books, the 2014 vintage came in at the third-largest grape harvest ever, down 8% from the previous year. A mild winter and spring with drought conditions persisting, bud break occurred early. From southern to northern California winemakers have stated that it was an even earlier harvest than years before, starting with sparkling grapes in July and ending mid-October for later ripening varieties. Despite the drought, California will produce another great vintage. Arid conditions have given the grapes a chance to struggle, which thins out the vines and allows the clusters to gain concentration of flavor, intensity and complexity.

BLEND	80% Cabernet Sauvignon	APPELLATION	California	OAK SOURCING	60% French, 30% American, 10% Hungarian 70% New, 30% Seasoned				
	8% Merlot		ALCOHOL		13.5%	PH	3.71	TA	5.9 g/L
