

GUNSIGHT

— ROCK —

2016 Cabernet Sauvignon

TASTING NOTES

Our 2016 Gunsight Rock Cabernet Sauvignon features aromas reflective of the Paso Robles earthy terrain with dark cherry, ripe plum, blueberry and notes of vanilla. A medium-bodied wine with flavors of cassis, black currant and anise spice. The mouth coating palate offers smooth, silky tannins with good structure and a flavorful, lingering finish.

APPELLATION

Paso Robles wine country is centrally located between San Francisco and Los Angeles along California's Central Coast. As one of California's fastest growing wine regions and largest geographic appellation, the territory encompasses more than 26,000 vineyard acres and more than 200 wineries. With a greater day-to-night temperature swing than most other appellations in the golden state, distinct microclimates, diverse soils and a long growing season, Paso Robles is a unique wine region blessed with optimal growing conditions for producing premium and ultra-premium wines.

Our Gunsight Rock Cabernet Sauvignon is sourced from the east side of the Paso Robles appellation, where the vines get a lot of sunlight and substantial heat and grow next to an abandoned river bed.
