

# B SIDE

## NORTH COAST APPELLATION

In the early 1950s, record companies introduced the two-sided 45. The “A” side played the song the record companies hoped would become a hit. But the “B” side was often the real find, frequently revealing an undiscovered gem. Inspired by these unheralded classics, B Side wines bring this alternative sensibility to the decidedly A-list world of Napa and Sonoma wines. Our roots trace back to an authentic place – the B Side of Napa and Sonoma, as it were. Redefining the undiscovered and uncharted territory of California’s Northern Coastline, B Side wines follow a rhythm no one else can hear, separating our wines from others with smooth, soulful palates and perfectly-tuned notes.

The North Coast refers to the land which stretches 100 miles long and more than 50 miles wide. This area, encompassing more than three million acres, is home to a highly acclaimed amalgam of climates, soil types, and grape varieties. We are drawn to dedicate special focus to a few particular North Coast locations when crafting B Side wines; Sonoma Coast, Sonoma Valley, Napa’s Carneros region and the idyllic Napa Valley area known as Pope Valley. B Side combines the majesty of unique appellations with the soulful art of winemaking to deliver wines made for those who truly know the difference.

VARIETALS	CHARDONNAY	PINOT NOIR		CABERNET SAUVIGNON
APPELLATION	SONOMA VALLEY (1)	NAPA, CARNEROS (2)	SONOMA COAST (3)	NAPA, POPE VALLEY (4)
VINEYARD	Watmaugh Ranch	Carneros Lake Vineyard	Fedrick Block	Juliana Vineyard
DISTINGUISHING FEATURES	<p>Located in the heart of Sonoma Valley, tucked into a rare, yet cool area.</p> <p>Planted entirely to Hyde-Wente Clone Chardonnay, this Sebastiani family owned vineyard is meticulously cared for.</p>	<p>Located in the heart of Napa Carneros.</p> <p>Well-groomed vineyard surrounded by rolling hills.</p>	<p>This Certified Sustainable vineyard is located at the southern end of the Petaluma Gap appellation. It is set on rolling hills and is known for its high end Pinot Noir grapes that are sought after for their depth and balance.</p>	<p>Pope Valley fruit at considerable elevation, vineyards located on rolling hillsides predominantly, west facing vineyard gets afternoon heat and long days for even ripening.</p>
TYPICAL YIELDS	3.5 Tons (per acre)	5-6 Tons (per acre)	4-6 Tons (per acre)	5-6 Tons (per acre)
CLONES	Hyde-Wente Clone	Clones 113 and 115	Dijon 115	Clone 8 and 337
SOIL TYPES	Adobe Clay with some silt	Clay Loam, Haire Loam	Split between Haire gravelly load on upper slope and Clear Lake Clay Loam series	Bressa Dibble Complex and Tehama Silt Loam
WINEMAKER NOTES	<p>Nestled between two mountain ranges: the Mayacamas to the East, and the Sonoma Mountains to the West. It's a revered region for unique terroir and ultra-premium wines.</p>	<p>The perfect spot in cool-climate Carneros. Very slow ripening of fruit due to heavy coastal and bay influence. This added "hangtime" allows grapes to develop intense flavors and ideal acidity.</p>	<p>A vineyard with a particularly strong coastal influence. Fog and wind make for just the right cool climate for Pinot Noir. Extended hangtime here, with juicy, intense fruit flavors.</p>	<p>A Pope Valley treasure trove at considerable elevation. Situated on one of the pioneering Pope Valley families' properties, the Barnett's.</p>
