

2018 SAUVIGNON BLANC

The Crusher Sauvignon Blanc offers a nice expression of aromatics that are vivid and inviting on the nose including lemon citrus, fresh pear, and ripe honeydew melon. This wine is a pure California style Sauvignon Blanc with loads of upfront fruit, excellent concentration, and juiciness on the palate and bright, zippy acidity which makes it very distinctive.

APPELLATION

With its moderate climate, and diverse terroir, California offers many distinct AVAs. Known for its abundant sunshine which helps to ensure a reliable extended growing season, the “Golden State” has become an American winemaking mecca on par with the other great wine regions of the world. California boasts nearly 100 American Viticulture Areas (AVAs) that encompass over half-million acres of vineyards, supporting a diverse varietal mix. For our 2018 The Crusher Sauvignon Blanc, the blend comes from a combination of fruit from Lodi, California, where the warm weather develops Sauvignon Blanc with loads of tropical fruit character and juicy fruit concentration as well as fruit from the cooler climate region of the Russian River Valley. Known for producing high-quality, tropical-flavored Sauvignon Blanc, this addition to the final blend adds complexity and beautiful texture.

VINTAGE

California enjoyed a near picture-perfect growing season for the 2018 vintage. A mild spring with good flowering and uniform grape cluster formation ultimately led to high quality fruit across varietals. Steady and warm temperatures throughout the summer led to an unhurried harvest with excellent conditions lasting well into late October as all varietals came into the winery. Overall, the 2018 wines are some of the most flavorful and of highest quality in decades.

THE CRUSHER

More than 110 years ago, the Sebastiani family embarked on a winemaking journey, setting down roots in Sonoma, California. With passion, hard work, and decades of pioneering in the wine industry now under their belt, a mission to deliver varietally expressive, premium-quality wines sourced from the Golden State’s finest regions was born—introducing The Crusher. Named for the first, most precious moments in the winemaking process when grapes meet “The Crusher” and begin their transformation into a food-friendly, approachable wine.
