2014 SAUVIGNON BLANC  
LODI

92 PTS.

*Grapefruit sweetness, not tart, and summer melon are the first hints that this wine has a special persona. Floral cherry blossoms on the nose and on the steely palate perform gracefully and crisply. So unique, you know it's a Sauvignon Blanc: It has the sensibilities of its global heritage without being type-cast.*

THE TASTING PANEL July 2015

88 PTS.

*Golden yellow color. Delicate, fruity, grassy aromas of citrus custard and straw with a silky, crisp, dry-yet-fruity medium body and an even, interesting, carefree green tomato, nougat, and tropical fruit salad finish with no oak. A round and fruity sauvignon blanc.*

*With an unusually bright gold color, pineapple and honey aromas, and lively lemon and grapefruit flavors, this wine shows a lot of personality. The effect is refreshing and fruity, but not wimpy. It should pair well with lots of different salads, appetizers and seafood.*
