

SMOKING LOON

2020 CHARDONNAY

TASTING NOTES

If you're looking for California sunshine in a glass, look no further than our 2020 Smoking Loon Chardonnay! From refreshing aromas of green pear and pineapple to warm lemon cookies and toasted walnut, this golden-hued, medium-bodied Chardonnay is beautifully balanced and finishes with delicate notes of spiced French oak and apricot. It's the wine we'll continue to reach for all year long.

PHILOSOPHY

Smoking Loon was established in 2000 on a very simple premise: good wine doesn't need to take itself so seriously. Originally named for Don Sebastiani's love of cigars and his father August's passion for water fowl (don't ask, long story), Smoking Loon offers an irreverent, tongue-in-cheek approach to enjoying wine.

Our wines are crafted for those with an appetite for adventure, those in touch with their inner loon, those who consider pretense simply unnecessary. Each vintage provides our winemakers the perfect opportunity to have a little fun and indulge their inner loon. They start by scouring the top wine regions of the world for the finest fruit. Then, they gently guide that fruit to its fullest potential, creating fruit-forward, well-balanced wines that offer a keen blend of approachability, quality and value.
