WINE ENTHUSIAST

“Fresh and appley, this well-balanced wine combines crisp green apples with riper pineapple, vanilla and butter accents. A touch of tangy acidity nicely offsets the ripeness and a rather full body to give an elegant texture.”

“With 5% Viognier added, this becomes a more floral-natured beauty. Aromas of delicious apple and lemon sorbet lead to those white petals. Flavors unfold in a flash of just-squeezed lime and near-ripe pineapple. Lively, with vibrant acidity and a finish of vanilla pudding.”
