

LEESE - FITCH

CALIFORNIA

MERLOT

2021

TASTING NOTES

Our 2021 Leese-Fitch Merlot is bright and inviting with aromas of ripe red fruits; raspberry, cherry and pomegranate. Additional aromas of red currants, clove spice and sweet vanilla lead to a medium-bodied, juicy palate. Layers of juicy fruit flavors, black olive and notes of dried lavender add complexity. The wine is rich with incredibly smooth tannins all underpinned with good acidity leaving a long, flavorful finish.

WINEMAKER NOTES

The majority of the Merlot grapes for this wine come from the sun-drenched California regions of Lodi and Clarksburg. Lodi fruit brings bright, warm weather characteristics while the slightly cooler Clarksburg region brings the structure as well as the enticing briar patch aromas. Merlot from Kautz Vineyards in Lodi comprise the majority of the fruit. Our long-term growing partnerships with these growers allow us intimate knowledge of the vineyards and we pick the fruit at ultimate ripeness. For this 2021 vintage, we added a small amount of Petite Sirah, Tempranillo, Tannat and Malbec to craft a very juicy and approachable wine for everyday enjoyment.
