

2021 CABERNET SAUVIGNON California

The Simple Life Cabernet Sauvignon is a pure, easy-drinking style of Cabernet Sauvignon. It offers bright fruit flavors, a soft palate with smooth texture, and very fine tannins. The core of the blend was crafted around the juicy, black fruit which is distinctive of Clarksburg and Lodi wine growing regions in California. Cabernet Sauvignon from these areas is known for producing seductive, layered and richly flavored wine.

WINEMAKING

The majority of the Cabernet Sauvignon fruit comes from the Lodi region of California with additional Cabernet Sauvignon coming from the Lake Winchester vineyard in Clarksburg. The wine was blended with a small amount of Petite Sirah from Screeching Owl vineyard in Clarksburg, and also Tempranillo, Teroldego and Tannat from Heringer Family Vineyards. The blending in of these fruit-forward varietals adds softness and ultimately rounds out the final blend. The wine was aged for 12 months with French and American Oak.

TASTING NOTES

Lifted aromas of boysenberry, blackberry, violets and baking spice swirl from the glass. The medium bodied wine is juicy on the palate with lush fruit and a subtle dried lavender note adding depth. The wine offers soft, polished tannins and a pleasing, flavorful finish.

THE SIMPLE LIFE PHILOSOPHY

We treasure this small town, California life and its simple pleasures — like walking downtown and shopping at family-owned grocery stores, cooking with fresh ingredients from local farms, and drinking wine made by our family and friends who have been here for generations. We created these wines for the people that enjoy the simple things in life; friends, family, and a glass of wine.
